# Committees at FAECTOR

Our school association would not be that great without our Active Members. As a member of one of the many committees of FAECTOR, you help the board of FAECTOR with organising great events for all members. From social drinks and parties, to publications, such as the Estimator and the yearly Almanac, or formal career events with many employers — they make it all possible. To give you more information about the different committees and what you can expect from being an Active Member, this booklet has been made.

We included as much information as possible about all committees opening up in September. Every committee description contains the amount of available spots and the specific functions. It also describes the profile of the students that we are looking for.

At the end of this booklet you can find the procedure for applying for one or more committees. Important to note is that you will apply for the committee itself and not for a specific position in the committee.

We hope that this booklet clears up which committees we offer, what they do and who we are looking for. If you have any questions, do not hesitate to contact us by email or through social media, or come by our office. We are looking forward to your application and hope to see you at one of the Committee Interest Sessions!

# Why Should You Become an Active Member at FAECTOR?

Joining a FAECTOR Committee has many benefits:

- Becoming an Active Member is the best way to meet a lot of fellow students in a short amount of time
- You will make friends for the rest of your (student) life
- Join activities exclusively for Active Members
- Develop yourself: you will develop essential teamwork, social and organisational skills you will not learn during the lectures
- Boost your CV: being active besides your studies is a huge plus in the eyes of many employers
- Your study progress is the number one priority: everyone at FAECTOR has exams at the same time, so all events are planned such that you have more than enough time left to study

So by joining a committee at FAECTOR you get a head start for the rest of your life!

# ECONOMETRIC CAREER DAYS COMMITTEE

Do you want to organise the biggest multi-day career event for econometricians in the Netherlands? The Econometric Career Days (ECD) connects highly motivated Econometrics & Operations Research students from Erasmus University Rotterdam with prestigious companies. During the 13th edition 47 different companies participated in various events, like cases, presentations and dinners.

As we gear up for the next edition of this unparalleled event, we are on the lookout for dynamic and passionate individuals to join the committee. If you have a big interest in creating meaningful connections between econometricians in Rotterdam and companies, this is your chance to make a significant impact.

Your role in the committee will be instrumental in shaping the ECD experience for both students and participating companies. From planning and coordinating diverse events to ensuring seamless execution of all the different activities.

## COMMITTEE

### **Chairman (NL):**

The chairman is responsible for the general well-being of the ECD and the committee. They are the one leading the weekly meetings and keeps an overview of all the tasks. Furthermore, they are responsible for the Field Trip.

### **Secretary (NL):**

The secretary is the connection between the students and the ECD and handles all questions coming in from all other parties.

### **Treasurer (NL/UK):**

The treasurer is responsible for making and managing the budget for the next ECD.

### **External Officer (NL):**

This position gives you the opportunity to get in contact with a lot of prestigious companies and great speakers, as it is your responsibility that they participate in the ECD 2024.

### **Day Coordinator (NL):**

As the day coordinator you have to make sure that the next ECD will run smoothly. You can think of tasks such as arranging the locations and catering as well as making detailed day plans. Next to that, you will be responsible for organising the ECD Talks.

### **Marketing Officer (NL/UK):**

Your main tasks as one of the marketing officers will be developing a promotion plan, designing, making students aware of the event and establishing a good image of the ECD. The marketing officers will order all the necessary merchandise and make sure that the ECD is represented on the campus of the Erasmus University. Next to that, you make sure that the social media channels and the website of the ECD are kept up to date.

## EVENT COMMITTEE

Do you want to organise many social events of FAECTOR for your fellow students? Then the Event Committee might be something for you! The Event Committee organises all sorts of events, such as a beer cantus, the rally weekend and FAECTOR's biggest parties. The committee also has the freedom to come up with creative ideas. Within this committee you have 4 members and a chairman.

freshman students in a  
fun way!"

# RECRUITMENT COMMITTEE

The Recruitment Committee is responsible for managing the largest vacancy website for econometricians in the Netherlands. As a committee member, you will actively engage in acquisition by approaching companies and building long-term relationships to ensure a diverse and high-quality selection of vacancies on the econometrie.com website.

In addition, the committee organises one of FAECTOR's largest events: the Inhouse Days. This is a multi-day recruitment event in which selected participants visit four different companies over the course of two days. As part of the committee, you will be involved in all aspects of the event, from planning and company coordination to logistics and ensuring a smooth execution of the programme.

The positions within the recruitment committee are: Chairman, Secretary & External Officer, Treasurer & IT Officer and Marketing Officer
